Brand- und Katastrophenschutz

**Taktische Zeichen für
Führungsstellen**

Nr. 23/2014

**SG Brand- und
Katastrophenschutz**

Merkblatt – Taktische Zeichen für Führungsstellen im Landkreis Saalfeld-Rudolstadt

GRUNDLAGEN

Der Landkreis Saalfeld – Rudolstadt hat zur Organisation der Gefahrenabwehr ein dreifach gegliedertes System aus Stützpunkt- und Schwerpunktfeuerwehren, Rettungsdienst, zusätzlichen Einheiten des ABC- und Sanitäts-/ Betreuungsdienstes sowie des Katastrophenschutzes gemeinsam mit den Gemeinden geschaffen.

Die Kommunen sichern die Gefahrenabwehr auf örtlicher Ebenen mit ihren Feuerwehren und deren Regelvorhaltung.

Um größere Schadenslagen beherrschen zu können und die Kommunikation und Führung zu vereinfachen, sollen aus der Regelvorhaltung der Gemeinden (örtliche Gefahrenabwehr) Löschzüge zusammengestellt werden, die dem anfordernden Einsatzleiter ein schnelles Handeln und einfachere Führung ermöglichen sollen.

Diese und die weiteren Vorhaltungen der Gemeinden und des Landkreises sind hier als Symbole über Taktische Zeichen zusammengestellt und werden allen Führungsstellen in den Einsatzleitungen, Feuerwehreinsatzzentralen und Einsatzleitfahrzeugen zur Anwendung empfohlen.

Grundlage der Zusammenstellung ist die CD – Taktische Zeichen in Führungsstellen Version 3.0.

Mittels Magnetprofilsystem können die Taktischen Zeichen eingeschoben werden und stehen somit für die Lagedarstellung zur Verfügung.

Die Fahrzeuge der Feuerwehren und Hilfsorganisationen des Landkreises sind alle dargestellt, so dass wir darum bitten, Fahrzeugwechsel an den KBI mitzuteilen. Danach erfolgt eine Anpassung der entsprechenden Symbolik.

Im Weiteren sind Einheiten, Gefahren, Schäden, Tiere, Personen und Führungskräfte neutral dargestellt. Diese sind bei Bedarf entsprechend zu vervielfältigen.

Jede FEZ erhält vom Landratsamt 10 m Magnetprofil und die dazugehörige Datei mit den Taktischen Zeichen. Ebenfalls eine Exceltabelle mit der Übersicht der Kräfte und Mittel des Landkreises.

In der Folge werden die ELW 1 und der FÜKW des Landkreises ebenfalls mit dem Magnetprofilssystem ausgestattet.

Mit dem Magnetprofil können die erforderlichen Taktischen Zeichen auf einer Lagekarte bzw. einem Schadenskonto dargestellt werden.

Mit der Tabelle kann eine Kräfte- und Mittelverwaltung durchgeführt werden, wenn sie auf dem Einsatzleitsystem nicht mehr sinnvoll darstellbar ist, bzw. wenn es die Einsatzerfordernisse bedingen.

Gibt es Änderungen im Fahrzeugbestand der Feuerwehren und Hilfsorganisationen, sind diese der Zentralen Leitstelle Saalfeld sowie dem SG Brand- und Katastrophenschutz zu melden. Eventuelle Änderungen werden in einer Überarbeitung der Taktischen Zeichen eingepflegt.

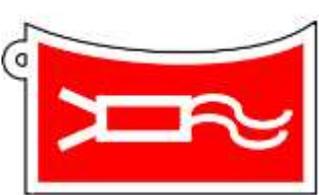

Eine Weitergabe an Dritte ist nicht gestattet.

INKRAFTTRETEN

Diese Festlegung tritt mit sofortiger Wirkung in Kraft.

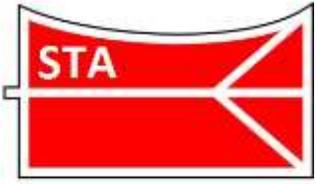

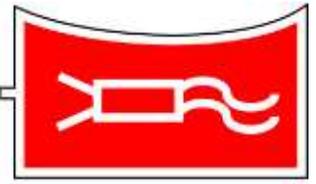

Saalfeld, 01. September 2014

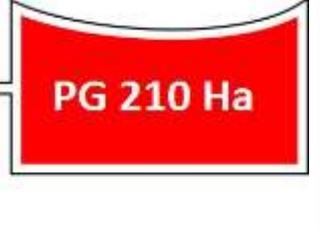

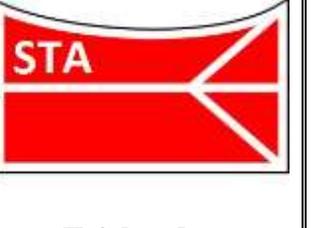

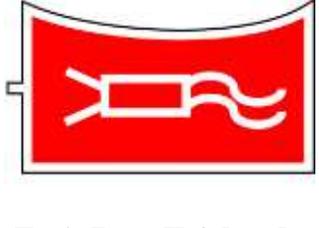

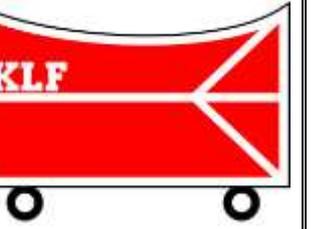

Thomzyk
Kreisbrandinspektor
